### SUSTAINABILITY

GAR Social and Environmental Policy built on four pillars:

**ENVIRONMENTAL MANAGEMENT:**

deforestation free, improving yields to reduce pressure on new land development

**SOCIAL AND COMMUNITY ENGAGEMENT:**

positive economic, social and community development for indigenous people and local communities

**WORK ENVIRONMENT AND INDUSTRIAL RELATIONS:**

recognising, respecting and strengthening the rights of all our workers

**MARKETPLACE AND SUPPLY CHAIN:**

Traceable and transparent supply chains

### TRACEABILITY

Mapped to the mill–2015

Tracing our mills to the plantation–2017

A fully traceable supply chain–2020
