SUSTAINABILITY

GAR Social and Environmental Policy built on four pillars:

ENVIRONMENTAL MANAGEMENT:

deforestation free, improving yields to reduce pressure on new land development

SOCIAL AND COMMUNITY ENGAGEMENT:

positive economic, social and community development for indigenous people and local communities

WORK ENVIRONMENT AND INDUSTRIAL RELATIONS:

recognising, respecting and strengthening the rights of all our workers

MARKETPLACE AND SUPPLY CHAIN:

Traceable and transparent supply chains

TRACEABILITY

Mapped to the mills–2016
Traced our mills to the plantation–2017
A fully traceable supply chain–2020
